Dear Sir,

Sub: Clarification on the information provided in Form MGT-7 of DISA India Limited for the Financial Year 2024-25.

1. SI. No. VI B: Gender wise bifurcation in the Shareholding Pattern, Breakup of Total Number of Shareholders (Promoters + Others) (new data)

The shareholding data generated by the Registrar and Share Transfer Agent from both the Depositories (National Securities Depositories Limited and Central Depository Services Limited) do not provide the requisite bifurcation between individual male and female shareholders. Hence, we are unable to provide bifurcation for the same. In view of this, the breakup of total number of shareholders (Promoters and Other than Promoters) has been disclosed under the head "Other than individuals". However, we have attached the latest list of shareholders along with all other applicable details as an attachment to the Form MGT-7

2. SI. No. VI C: Details of Foreign Institutional Investors (FIIs) holding shares of the Company:

The shareholding data generated by the Registrar and Share Transfer Agent from both the Depositories (National Securities Depositories Limited and Central Depository Services Limited) do not contain the Date of Incorporation of the 2 (Two) FIIs as listed hereunder. Hence, we could not trace the same. However, the Date of Incorporation being a mandatory field in the Form, we have filled in current date for the sake of meeting technical requirement in the Form MGT-7
